# ABOUT THE BANDS

The Blacksburg Community Band is an all-volunteer band which provides an opportunity for community members to rekindle their past interest in music. In addition, they provide live performances for the community, especially audiences who traditionally cannot afford to pay for live groups or who because of age and disability cannot attend performances.

The Watauga County Community Band is composed of members of the local community in Boone, NC, and students from Appalachian State University who share a love of making music. In the summer of 2001, the WCCB traveled to Reykjavik and the Westmann Islands in Iceland and London, Oxford, and Aylesbury in the United Kingdom to perform joint concerts with the Aylesbury Community Concert Band and the Westmann Islands Concert Band from Iceland. The Aylesbury Community Concert Band visited Boone, NC in October of 2001 and now the Westmann Island Concert Band from Iceland has "crossed the pond" to join the WCCB in a joint concert with the Blacksburg Community Band.
