ACKNOWLEDGMENTS

The Blacksburg Community Band would like to thank Dr. Diana Love for her wonderful support of the community band program since our inception 15 years ago. The band owes her a great debt of gratitude for her patience, assistance and cooperation. The band also thanks the Blacksburg High School for the use of the rehearsal space for the past 15 years. The Band would also like to thank the Town of Blacksburg for the critical support that they offer and especially Dean Crane and the Town of Blacksburg Department of Parks and Recreation, who have made our efforts much easier!

The Band would like to offer a special thanks to Richard Cole for donating his time to record our concerts for the past twelve years. We would also like to recognize the time and expertise given to us by John R. Howell and Steven E. Brown. It has been wonderful to have musicians of their caliber that take the time to work with our band and share their musical arrangements and original compositions. We really appreciate the wonderful music that they have brought to us over the past years!

Please join us for a reception in the High School Commons area directly after the concert and meet your friends and neighbors in the band. A huge thanks to Amy Hall for coordinating the refreshments this evening, and don't forget to visit the Blacksburg Community Band web site at:
